About Your Directory

The 1991-92 edition of the AAZK Membership Directory was published by the staff at Administrative Offices using the Desktop Publishing System on our Macintosh Plus computer system. All members whose memberships were current as of 1 September 1990 are included in this edition. Members are listed under the institution they indicated as being affiliated with on their membership form. Members who did not list an institution affiliation are listed in the "Nonaffiliated Listing" found for each State. In some cases, you will note a Professional member is listed under this category. This is because either (1) the member did not indicate an institutional affiliation on their membership form; or (2) we have received a change of address notice from the U.S. Post Office showing that the individual has moved to another location, but the member has **not** notified us of a new place of employment. Because the zookeeping profession is such a mobile one, it is very difficult to try and have a Directory in which all the listings are current and correct. We realize this, but have done our best to make the Directory as all-inclusive and up-to-date as possible. All currently active AAZK Chapters are listed in the Directory, but, because most Chapters hold elections every year, we have not listed Chapter officers. The pages prior to the membership listing include the AAZK Administration, AAZK Committees and Projects, AAZK Accessories, AAZK Life Members, AAZK Contributing Members and a listing of Sponsored Foreign Keepers and their respective sponsors.

Because the Directory is designed primarily for use by Professional members of AAZK, only Professional members are indexed in the alphabetical listing in the back of the publication. Professional members are listed by the state or country in which they live. Because complete information was not available on all members in this publication, no listing of work area or area of interest has been included. Those institutions which we are aware offer Keeper Accommodation are so designated by *KAL*.

The Membership Directory is sent gratis to all Professional, Contributing and Life members. Affiliate and Associate members may purchase the Directory for \$5.00 per copy. Non-members may purchase the Directory for \$10.00. Copies may be ordered from the Administrative Secretary at AAZK Administrative Offices.

The Editor wishes to acknowledge the special assistance of AAZK Board Member Ed Hansen, Reid Park Zoo, Tucson, AZ in the production of this publication.
